Dear Valued Patient:

We are excited to announce that effective February 10, we will join the Baylor Scott & White Health family as **Baylor Scott & White Clinic- Austin Jollyville Road**.

We are striving to make this transition as seamless as possible, including keeping our existing telephone number and accepting almost all insurances, including Medicare.

We join the largest non-profit health system in Texas, and will benefit from features including an integrated electronic medical record as well as access to a wide array of specialties throughout the Central Texas region.

After February 10, you may schedule an appointment with us either by calling the office or by visiting [BSWHealth.com](https://www.BSWHealth.com), clicking on the **Doctors** link at the top of the page and typing in either of our names in the **What care are you looking for?** search bar.

At your first appointment after February 10, you will be able to enroll in [MYBSWHealth.com](https://www.MYBSWHealth.com), which will allow you to schedule directly with us through the patient portal (instructions to enroll can be found on the reverse side of this letter).

Your medical records will remain in the custodianship of our practice. If you would like to receive a copy of your records, you may call 512.568.3565/512.834.9999, fax 512.834.9998 or email admin@docatx.com.

I hope you share our excitement as we become part of Baylor Scott & White Health, and as always, thank you for entrusting us with your care.

Sincerely,
